

HELENE W. HARTIG

ATTORNEY AT LAW

Dear Valued Clients,

Attached are two flyers:

- One from the City of NY explaining how to apply for rental assistance to repay the arrears owed on your account. The program is nicknamed a “one-shot deal” and if approved, the City will issue a check to your landlord and cover the rent arrears (up to \$7,500.00).
- The other is a program from DHCR which offers an Emergency Rental Voucher for rent stabilized tenants who lost income during the period of April 1st through July 31st 2020 due to COVID-19. Note that the formula is based on “median area income” from HUD, which I have attached.

Please review and, if appropriate, to take advantage of these opportunities.

If any further assistance is needed, please feel free to reach out to me at the number listed below or by email helene@hartiglaw.com.

Thank you,

A handwritten signature in black ink, appearing to read 'H. Hartig', with a large, sweeping flourish at the end.
